

Term 2 Annual General Meeting & Principals/Heads and Coordinators' Meeting

Date	Wednesday 18 May 2022
Venue	Mentone Girls' Grammar School 11 Mentone Parade, Mentone 3194 phone: 03 9581 1200
Time	1:00 - 4:00pm (see schedule below) <i>For an optional school tour, please arrive at 12:30pm</i>
Focus	Our Annual General Meeting will be followed by a short film screening and some school snapshot presentations on sustainability, then interactive collaboration in cross school groups on current and potential action.

Our Network has been granted permission to screen the recently released documentary ***Regenerating Australia***. This 21-minute film was created by the team behind the high-impact feature documentaries *2040* and *That Sugar Film*. It is based on a four-month interview process with a diverse group of Australians who shared their hopes and dreams for the country's future.

Set on New Year's Eve of December 2029, a news anchor is ending the nightly bulletin with a look back at the decade 'that could be.' A decade that saw Australia transition to a fairer, cleaner, more community-focused economy. Here is a [link](#) to the film trailer.

Our purpose in screening the film is to promote and provoke thinking around a range of issues highlighted in the film including sustainability, climate change, reconciliation and community action whilst reflecting on our Network theme of Transdisciplinarity.

RSVP Please RSVP using [this link](#) by **Thursday 12 May, 2021 at the latest**, to help confirm final numbers for both catering and seating arrangements.
