Focus Join us for our Annual General Meeting where we will share highlights of the last year. Following that, we will continue to explore and unpack the Programme Development Process which was started at our Term 1 meeting. Following our work on the PDPs, we will focus on Action & Service with some informal sharing from your schools on initiatives happening.

The majority of the day will involve 'mutual sharing' which closely links to our [Network Strategy](#). We know that our Network Members want as many opportunities as possible to work with each other. Importantly, sharing can also include discussing challenges, wonderings and suggestions! We don't expect everyone to have fancy presentations to share.

RSVP Please RSVP using [this link](#) by Friday 12 May, 2023 at the latest, to help confirm final numbers for both catering and seating arrangements.
